Art Unit: 2664

1. The following is an examiner's statement of reasons for allowance: The prior art of the record fails to disclose the steps of processing the called number to transfer a number portability query; receiving a number portability response indicating a route number; processing the route number to select an identifier for routing the user communication; and transferring a control message indicating the user communication and the identifier to a communication system, wherein the communication system, in response to the control message, adds the identifier to a header of the user communication and routes the user communication based on the identifier in the header.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
